

## Harley-Davidson Performance Tips

1. Performance engine oil, twin cam, Milwaukee 8 and Evo:  
Brad Penn 20W 50 “original green oil” only!
2. Oil temp: 215° maximum! Use Harley-Davidson digital oil temp dipstick.
3. Use only stock Harley-Davidson lifter guides!
4. Use Harley-Davidson Screaming Eagle adjustable pushrods
5. Use Harley-Davidson maintenance service manual and torque tables.
